Type:	CALL RECORD - MADE
Follow-Up Date:	
Comments:	The complainant has called on behalf of someone staying the road that is not the owner of number 13 or 14 animals and could say for sure what happened and could also not provide the details of the peron who called her. I tried to explain to her that it is a law enforcement matter and the owners responsibility to contact law enforcement. I wanted to explain to her what we do and what law enforcement does bit she did not want to listen and said bye. The dog at 13 is already deqd accroding to a third party and the issue at these houses are the number of dogs and dogs roaming in the street that keeps breeding. I have educated the relevant parties previously. Nfa
