General Report Comments: Elani and I,Hugh arrived at the property and was greeted by Marli,who then pointed towards Annemies house.Elani then called Annemie from the outside and she came towards us.

We then greeted her and she asked us to walk with her.We could see from the inside that they had been using the stall which they previously said they cannot use.Annemie then pointed towards the structures that had been built to give the horses shelter but said she cannot stay with us for long as she had an online meeting.We were pleased by the progress they had made and Elani asked her when they would be done building the rest of the shelters.She then mentioned that she will have it done by end of February as she will be letting go of some of her horses.. We then said we will be back by march to give her enough time.
