General Report Comments: Hugh and I, Elani arrived at the property and met with Pierre. He still had the gate vlosed by the rope we put there last time to close the gate.
He was busy working on the gate as we arrived and informed us that he doesnt have money to build a double gate. He told us then that he is going yo swop the gate so it opens to the inside. I then asked him whether he has a latch and lock and he said he did. I showed the latch on his wendy house that was exactly like the ones by us and he said he has one and will put that up.

He also said that Tessa has not once escaped from the yard in the last month .

To close case until further notice.
