General Report Comments: I, Elani arrived at the property. And met with Megan and her mother. Megan owns Bento and Pheonix and her mother owns Libby and Beckham. The flatlet where Megan stays is very spacious and ahe already bought everything Nicky would need. She is aware of how to introduce a new kitten to the home. The cats sleep with her in the bed. She has her own cordoned off back yard where Bento stays with his own kennel and bowls of food. She uses WAHG. she can also stay home one day a week and get home at 15h00.

It is a lovely home and she is excited to get a new kitten and call her lafinia.

To do post home in a years time
