General Report Comments: Danien came yo the SPCA to see which dog would be best suited yo her Cleo dog who is very dominant. The meet and greet went well with Matt as he knows when to back off from her and listens yo Danien.

High and I then took Matt through to the smallholding where they stay to see whether Cleo would protect her space by getting aggressive towards Matt.

It is a lovely space with olive trees and routes to walk the dogs. We then walked them to the dam and went back to her house. Matt immediately made himself home. There were enough water bowls around and beds. The dogs may go indside. Everything went well and Danien chose to adopt Matt as he listens and is submissive.

She sign d the contract and will let us know if anything happens.

Home check passed.
