General Report Comments: Hugh and I, Elani arrived at the property and met with the applicants. Their driveway and yard is open all around that can be a problem for especially a husky dog running out of the propert. The house is also in the cbd of Wellington and their fence is about 1.5m tall.

I explained to them about the breed being an escape artist and jumpers. I ecplained thet the driveway needs to be seperated from the back yard and that the fence should be higher.

They claim they are away from home at most two hours at a time and the one works from home to keep an eye. I suggested they seperate the front from the back and keep the dog inside when they go put. They might possibly move by the end of February.

They have no other animals

They are really interested in Fixie and willing to make changes.

Pre home check pending.
