General Report Comments: I, Elani arrived at the property to assess whether Peanut is doing better or not.

The one daughter and son was home and assisted me. Peanut was still bright and alert today and her gums were still pink.

I saw that they cleaned all the food bowls for the dogs. They had two buckets of water on the stoep and blankets and a couch for the dogs to sleep on. The dogs are also allowed inside the house. One of them were inside when I was there. I decided to give dewormer to the dogs just to be sure that is not a problem.

Tried to give feedback to Noel. He did not answer his phone. Sophia is aware to call us if they need us to help them.
