General Report Comments: I,Hugh arrived at the property and saw one of the tenants outside.I greeted him and asked if anyone was home.He then replied yes and I asked him to call someone.He then left and called the owner of the dog on the static chain.

She then arrived and I greeted her,she then allowed me access.I went inside and could see that they had made progress with the shelter but did not build a running chain.I then asked her why they haven't built a running chain and she mentioned that the owners on the property do not want them to build a runner.I then asked her where Sarah was and she mentioned that she was not there at the time.

I then mentioned to her that we will come back in order to work on solutions.She agreed and mentioned we can come.

To follow up tomorrow.
