General Report Comments: High and I, Elani arrived at the property and met with Ashleigh who was on his way put. He was immediately angry at the neighbours for complaining again and said we can go inside and they are moving next yearm he left and left us with his daughter, Ashlin to inspect the property. She showed us the water and food bowl on the feont porch that was both empty. The entire yard is filled with rubbish and hazardous material. We asked her to show the food for the puppy and they only had one can of adult dog food for him . We also explained yhat they need to enclose the gate so he doesnt escape in the road to prevent him from being stolen or knocked over. I issuex a warning to:
1) Provide Tyson with water at all times.
2) Provide adequate food (puppy food) for Tyson within 72 hours.
3) Clean the property from hazardous material/rubbish within 72 hours.

Ashlin signed the warning. She said its her fiancée dog.

To follow up on Monday.
