General Report Comments: Elani and i,Hugh arrived at the property. We saw Gerhard in the outside and he allowed us access.

We then went inside and greeted him. He then showed us that the two dogs had gained weight and we were pleased as he also thanked us. We then went inside the area where dogs are kept and saw the kennel was still tidy. We also saw they still had fresh water and food.

We then educated him on deworming every three months and he understood.
