General Report Comments: I, Elani arrived at the property and saw a bakkie parked in the driveway with Registration number HRW545 - FS. I called out several times but got no answer. I then proceeded to call the owner on her cellphone number twice where it just rang and went to voicemail.

I spoke to the neighbour and she said that we cannot see into the backyard where the dog is kept as there are shade cloth in the way. She also mentioned that SAPS has previously been there and nobody came out of the property even though the woman was there.

She is obstructing us from inspecting the living conditions of her current dog. Therefore a court order is necessary to ensure the dogs living conditions are fair.
