General Report Comments: Elani and i,Hugh arrived at the property. We then called from the outside and nolan came outside .

We then greeted him and explained to him that we were there due to a complaint about his dogs being neglected.He then allowed us access and we went to the area where the dogs are kept. We then noticed that the dogs do have ticks and fleas on them but they were in okay condition.

We then explained to him about nexguard and bravecto.We also noticed that they were underweight aswell and asked him to get deworming.

Elani then issued warning 194 to:

-Provide both dogs with tick and flea treatment(bravecto,nexguard)and dewormer(triworm d and milbemax)within 7 days.

To follow up next week tuesday.
