General Report Comments: Hugh and I, Elani arrived at the property and met with Nolan who was at home. We asked whether he complied and he told us that he only gets paid the 25th of October 2025 and will be able to buy tick and Flea treatment then. I also advised him to get Karbadust for the environment as it is sandy. If he complied to keep the money aside for the Nexguard, we agreed to bring it to him on the Monday and give dewormer to the dogs. I forgot to add cleaning of the camp on the previous occassion but he did clean the property anyways.

Elani issued a warning to:

1) As discussed, you will only be able to buy Nexguard on the 25th of October 2025. Ensure to provide adequate Tick and Flea treatment for Githa and Tessaby the 27th of October 2025 (Total for Nexguard purchased by us will be R240).

Nolan signed the warning.

To follow up on the 27th October 2025.
