General Report Comments: I,Hugh arrived at the property and the security called the owner.I then proceeded towards the owners house.

She then opened the door for me and i greeted her.I saw her little dog named hudson and she accompanied me to the backyard.She then mentioned that she was busy planting plants thus it was a bit untidy in the back.

She then showed me the food she fed which was hills and she gave him coocked chicken in the morning and beef in the evening.

Overall the home is large and seems fit for little fiela.

Homecheck approved.To follow up in a year.
