CHECKLISTS

General Report Comments: I,Hugh arrived at the property and Francois allowed me inside.I then greeted him and he showed me around.

I first asked him whether they have any other animals and he said they have a cat.I then walked through and saw they have various feeding and water stations situated around the house.They also got their cat as a kitten so they explained to me that they know the process of introducing the kitten.They also know when to let the cat go outside and do this supervised.

Overall this would be a fitting home for Molly.Homecheck approved.

To follow up in a year.
