General Report Comments: Hugh and I, Elani arrived at the property and met with the husband who was working from home. He allowed us access and showed us the husky they have. Shadow is old and has the braai room to sleep in. It has his bed, food, water and he had access to the outside. They have a pool with a small cover but not for the entire pool. I suggested that they are home when they get the kitten as both work 9 to 5 every day. I suggested they collect the kitten on a Friday before the weekend. They also are aware of keeping the cat inside to get used to the sounds and smells.

Pre home check approved.
