General Report Comments: Hugh and I, Elani arrived at the property and met with albertus and his sister. They are elderly and retired.
They gave us access to the house and showed us several stations of cat food and water for their current cat.
They recently lost another cat and want to get a companion for Meitjie and themselves. We would see they love cats by the way they spoke about Meitjie.
They are home everyday and not going on holiday so they can integrate Frank nice and slowly.
We saw Meitjie at the end of our inspection in the front yard. She is in good condition.

Beautiful home with lovely people.

Pre home check passed.
