General Report Comments: Elani and i,Hugh arrived at the property.Stephen then came outside to greet us and he allowed us access.

We could then see that his property was divided in 3 seperate parts.We saw that he had shelters on the outside and he also mentioned the dogs would be moving in and out of the house.

We then saw that the yard was cleaned but there were still some unnecessary material sitting around.We then advised him that he would need to clean first so we will come back in 7 days to see if its clean.He was also open to sterilizing his remaining dogs.

For now we told him to clean first then focus on sterilization.

To follow up in 7 days.
