CHECKLISTS

General Report Comments: Elani and i,Hugh arrived at the property. We then approached the gate and called from the outside where we saw a domestic worker.

We noticed that it was a pre-school and one of the teachers came outside to greet us. She then allowed us access as the owner was not home at that moment. We then went to the side where the dogs would be kept and it was quite neat. There were no other animals and her previous dog had died due to age.

The home is fitting and we approved the homecheck.
