General Report Comments: Inspector Elani and I,Hugh arrived at the security company. We then went inside and Louis Joubert was there.We then greeted him and explained that we were there to conduct the follow up from our last inspection.He then agreed and decided to accompany us on the inspection.

We had asked on the before inspection that they add a barrier between dogs to minimize the fence fighting.They then installed boards between kennels to minimize this problem.

We had also asked that they get steel bins where they could place food inside but Louis mentioned that it would take a bit of time.He mentioned that it would be coming in next month but will be keeping us updated.

He also showed us that they had created a drainage system behind the kennels which was also requested on the initial inspection.

Overall Louis and Jaco from Dogs and all had complied with all our demands/requests thus there were no more contreventions of APA on this site.
