CHECKLISTS

General Report Comments: Hugh and I, Elani arrived at the property and met with the aecurity at the gate named Sharnay. She told us that Jane is bavk but she is only there in the mornings and late afternoons. We then agreed to leave a contact warning to set up a time to meet as we miss her every time . I issued a warning 083 to Contact E Graham to discuss a time to meet with regards to your horses. We gave the letter to Sharnay and she signed and accepted it. She said she will gove it to Jane.
