General Report Comments: I, Elani arrivex at the property and waited for the owners to come from work.
They arrived and let me inside. The cats were inside the house whilst they were working yo keep them safe during the day. They had catnop, access to water and food and toys to play with.
Stacey was outside in the backyard and clearly destroys everything in the yard.she has access to a kennel, water and toys and has A LOT of space to run and play in.
When the owners get home, they allow Stacey to be inside the house as well.
