We then went to the back area and we saw the dog named rocco laying under a tree .Jevandre then came to the back area after a while and we explained to him that its good the dog is on the running chain but there are many bricks and unnecessary objects in his area.He then understood and we also explained to him what fly strike is. We then told him that he should buy shoo fly to help with the fly problem.We also explained to him why dip is important atleast once a week .
