General Report Comments: Hugh and I, Elani arrived at his house for a post home staff inspection .
Maximus was kept outside and could run right around the house. There is an uncovered pool but he is used to it. He has access to food, water. He has a kennel at the back and a bed under a veranda for him to lie on. He was groomed.
Coco was inside the house and uses the garage as his toilet which his father cleans every day. He also has access to food and water inside the house and can sleep wherever he likes.
The dogs also have a bucket full of treats.

No welfare concerns observed.

Staff inspection approved.
