We then went to the office and Rickus then came towards us and mentioned that they have a managers meeting now but he will get Aiden to show us around. Navesh then asked that i lead the inspection as we know where contraventions were.

We then went into the clean sheep area.

-At the time no sheep were being slaughtered due to them waiting on maintenance to fix their line.

-We then checked the cattle runs and it was free from rubbish and hazardous material.

-We also checked the lairages and all animals had access to water. There were also no hazardous material.

We then went to the sheep dirty area.
