General Report Comments: Hugh and I Elani arrived at the property and met with Mr Atkins Wife who was at home . Mr Atkins still works from home. She allowed us access and the house looks very similar to last year.
The collies are still there and overweight.
The braai room is made for all the animals with beds, food, water etc and they have a large dog flap that allows them to go in and out of the house as they please. The cat get Montego food. The dogs as well.
Mrs Atkins showed us Mocca who was sleeping on their sons bed and get along with the dogs and are in very good condition. Its a beautiful cat and home.
