General Report Comments: I, Elani arrived at the property and met with Heleen. She informed me that the cat she adopted from us had gone missing.
They have a old french poodle and two budgies.
The wife Heleen works from home.
The dog has free roam of the entire house and yard. The budgie cage was clean and had enough environmental enrichment.

I educated Heleen on keeping the cat which she adopted from us recently inside the house for a month and she agreed and understood as her previous cat went missing.

She decided to buy the Loshall Tag from me to track the kitten as well.

Post home check approved. NFA.
