General Report Comments: I,Hugh arrived at the property but the complainant approached me and he directed me towards the animals.

I went to the property and saw alot of people living in one area.They explained to me that there are three dogs which one of the three is aggressive.They told me to get the owner as he is the only one who can handle him and Johannes wife opened the door.I saw Lady living in parasitic conditions which was unacceptable.

I then went to Johannes work and explained to him the nature of the complaint.He understood and decided to surrender two of the dogs and build a camp outside for Fluffy due to lack of ventilation .

We went and i issued notice to comply 033 to:

-Clean fluffys living area within 14 days and you are advised to built or move him from his living environment due to inadequate ventilation.

To follow up in two weeks
