General Report Comments: Hugh and I, arrived at the farm and found where Dorothea stays. Everybody there told us that she is working and her son stays with his grandparents and the mother stays in another house. We saw the dog in question who was on a running chain and had access to water and shelter. The occupants told us that the owner of Savannah is St Clairs uncle. St Clair stays on this property and was also not present. We spoke to Jonathan Swart. They said we must return the following day between 12:30 and 13:30 as she will be on lunch at that time. We agreed and left.
