General Report Comments: I, Hugh arrived at the property and saw a worker standing outside. I asked him whether he could get through to the farmer's home and he allowed me access.

He informed me that the owner's dog has a growth but he is not home. I asked him when the owner would be home and he had no idea. I explained to him that I would like to speak to the owner and he had no contact details of the owner. I gave him a pamphlet and asked he must speak to the owner so he could give us a call.

I left after looking at the dog and saw it looks like a growth.

To follow up Monday.
