**CHECKLISTS**

General Report Comments: Elani and i,Hugh arrived at the property. We did not see Mohammed but we spoke to the worker Kelly burns.

We asked her whether he had bought the bird food and she told us the petshop was closed .We informed her that more petshops are open.

We walked through the shop and found 13 mouse glue traps which we seized.

Elani issued warning 094 to:

- Provide your african grey with adequate species specific(african grey)food within 6 days. An only sunflower seed diet is not adequate for an african grey parrot.
- Cease selling Mouse and Rat glue traps as it causes unnecessary suffering .It prolongs the suffering until death and is a contravention of the animals protection act 71 of 1962 Section 2(1)(a),(e) and (l).
- I seized the following from the store.

13 Protecta mouse and rat glue traps.

To follow up on Monday.
