General Report Comments: Hugh and I, Elani arrived at the property to follow up on Staffie.

As we arrived we immediately saw that they cleaned and move the kennel to the front of the yard and had a food and water bowl for Staffie.

We noticed there was no flooring for the kennel so we assisted putting a table top underneath the kennel to prevent rain water voming into the shelter and providing a dry space for Staffie to sleep in .

Owners vompiled. Case can now be closed.
