General Report Comments: Hugh and I, Elani arrived at the property and saw that Milo was placed on a running chain. However he was tangled. So Hugh gave the owner a swivel to put on the end of the runner. Milo also did not have access to water or adequate shelter. They do have an additional kennel that they only need to move where Milo is kept.

I issued a warning to Leana Oview to:

- 1) Milo did not have access to water on arrival. Ensure to place water bucket or bowl in a tyre within 5 days.
- 2) Ensure to move the kennel to where Milo is kept so that he is protected from the weather elements. Do this within 5 days.

Follow up on Friday
