General Report Comments: I,Hugh arrived at the property and her husband opened the gate for me.I then arrived at the property and spoke to Marinda's cleaner.I could then see the area was huge for the animals to roam around.

I then saw the two border collies aswell as the Scottish terrier.They all seemed okay and friendly.Marindas husband then eventually arrived to speak to me and he mentioned that he's not sure how the border collies would react to a cat.I agreed and mentioned that I was also thinking the same thing and I mentioned that he should first bring the dogs in to do a cat test.I also said that I cannot give them I small kitten and then have it get hurt and he agreed.He then said he will bring in the dogs to do a cat test tomorrow at 9am.

To follow up tomorrow.
