General Report Comments: Sheldon and I, Elani went to the house and met with Sunita to see whether her dog Barnes gets along with Kai and Stella.

We first introduced Kai and then Stella. We had to keep them on a leash as Barnes seemed very unpredictable. They also work throughout week and wont be able to monitor if anything happens. The walls are normal height (1.8m) and Kai and Stella are master escape artists.

Sunita informed me that she will let me know about her decision on Monday.
