General Report Comments: Elani and I,Hugh arrived at the property. We then knocked on the door as the yard was open in the front.She then arrived to open the door for us and we greeted her. We then introduced ourselves and she was very welcoming.

We then had a walk around in the house and we were pleased to see that all her animals were well cared for.She then mentioned that she has all the cat sand and kitten food ready. We then educated her on the period that the cat needs to be inside the house to settle in.

Home check approved.
