General Report Comments: Hugh and I, Elani arrived at the facility and met with Robin from Pick and Pay. We went together to the cattle crush to see whether they slip and fall with the gridding there.

We observ d cattle being slaughtered and did not observe any of the cattle slipping and falling in the run. I reiteratex that Decent and Robin must keep an eye on the maintenance of the run and fix it as they see issues arising.

Today no contraventions of the Animals Protection Act 71 of 1962 was observed.

Facility complied.
