CONFINEMENT OF ANIMALS	Static Chain - adequate length Aggressive (monsookie)

General Report Comments: Elani and I,Hugh arrived at the property. We were greeted by Sarah who then gave us access to the property. We then saw that Monsookie was still on and static chain. Sarah then explained that her husband works alot and will build the runner in the week. Elani then explained to her that we can confiscate the dog and prosecute them if they don't comply as she has given enough time for them to build a runner.

Warning 115 was then issued to:

- Provide Monsookie with an adequate running chain within 7 days as be is tangling around the tree. This prevents him from entering his kennel and access his water.
- Ensure to fix the kennel within 7 days.

To follow up on Monday.
