Comments:	Elani and I,Hugh arrived at the property and we were met with Marinda.She then asked us whether we were there to fetch Bella.We then explained that she had to sterilize Bella. She then explained that she was under the impression that we were going to come pick up the dog.i then told her that Felicia Cuttings had not sent any documentation nor has she made any payments.She then said that she thought they had to pay afterwards,to which i replied no. Elani then took out the sterilization form and sterilization contract and explained that we have a opening the 20th of March to which Marinda agreed to. To take dog crate Wednesday evening.
