Comments:	Mrs Joubert informed me that they are unable to move the time of the meeting. I informed Jaco and Lynne and obtained advice from them with regards to what to say . Jaco is still willing to represent me using Shiven. Lynne cannot represent me as Mr Abrahams is a client of hers and this is vonflict of interest. She informed me about Mr Abrahams misrepresentation of an attorney as he is not registered on the LPC site and claimed his dog in his toga.
