Subject: MEDIATION OF SPCA DISPUTE

Good day Magistrate Saptoe,

I trust you are well.

I write to provide an update regarding the dispute between Mr. Abrahams and the SPCA concerning the warrant. The following is relevant:

I confirm that I act on behalf of the Wellington SPCA in this matter and have accordingly provided the necessary instructions to address all aspects of the case.

The SPCA is duly represented by Ms. Elani Graham in the matter concerning the seizure of the dog from Mr. Abrahams' custody.

Following extensive telephonic discussions with Mr. Abrahams yesterday evening, we have reached an agreement and resolved the issues in dispute.

As a result, an in-chambers hearing is no longer required, as the matter has been settled in accordance with my client's instructions and Mr. Abrahams' position.

The SPCA is satisfied that the animal has now received the necessary veterinary examinations and consultations. Furthermore, Mr. Abrahams has undertaken to provide relevant information to the SPCA as needed to ensure the continued treatment and welfare of the animal. Both parties have been amicably reconciled and have committed to cooperating in the best interest
