General Report Comments: Hugh and I, Elani arrived at the property and this time Reagan was at home. He gave us access to the property. He cleaned the yard amazingly but there is still one corner he needs to finish cleaning. Only cresh poop was seen.

Because of his complaine to the cleaning we gave Killer Nexguard and educated him on what to feed his female dog that is pregnant.killer also had fresh wounds as another dog came into their yard to mate with his female and they fought. We advised he clean the wound with low salt water and keep an eye on his wounds.

He was grateful for us.

Case closed as owner complied.
