General Report Comments: Elani and I,Hugh arrived at the property and Igshaan was outside waiting for us. We then greeted him and asked him whether there is no care taker of the dog.He then mentioned that the people had been away since Monday and there had only been a person there in the week to give the dog water but the dog had been starving since Monday.

Elani and I,Hugh then decided to remove the dog from the premises and give the owner time to claim the dog.Some boys who lived in the road had said they know the dog and his name is Cleo.

The boys then went inside and got the dog and handed it over to us. We then put the dog in the back of our vehicle.

Elani left warning 069 to:
-Your dog appeared to be abandoned and left to its own devices .Due to this, we have taken the dog into safekeeping. You can meet at the SPCA to claim your dog within 7 days if not, you will relinquish ownership to the SPCA.

To see whether owner claims dog within 7 days.
