CHECKLISTS

General Report Comments: I,Hugh arrived at the property and was greeted by Jan Venter who is Jana's father.He then welcomed me inside and I could see that the home environment was nice.They had no other animals and they explained that they had cats for over 43 years.

I then spoke to them and they mentioned that they were excited but it is their daughters cat.They didn't want a cat this soon but their daughter wanted one.

Overall the home looks well cared for and they seem experienced in having cats.

Home check approved.To follow up in a year.
