CHECKLISTS

General Report Comments: I,Elani arrived at the property and called from the outside.At first glance I could see the fencing was adequate for the size of Lily.The owner of the property then arrived and I greeted her.

She then allowed me access and she explained how eager her mother is to have a dog as she wants to adopt the dog as a surprise to her mother aswell. We then walked through and she introduced me to her mother.As I was walking through they also explained that they have no other animals but only a stray cat that comes from time to time.

The house is a good environment for Lily.

Homecheck approved to follow up in a year.
