General Report Comments: Elani and I,Hugh arrived at the property. We could see someone approaching the gate as soon as we stopped at the property.I then got out the vehicle and greeted the tenant.I then mentioned that we are looking for Sollie as the complainant mentioned.

He then mentioned that he is Sollie.I then explained to him the nature of the complaint.He then explained to us that he has a 4 year old son who accidently dropped the dog. We then explained to him that he should be the one educating his son and making sure the dog is safe and secure.

Upon inspecting we noticed the dog is slightly underweight but has cooked food in its bowl.When asked whether he had any dog pallets he mentioned that he does not have at the moment but would be able to get some by Wednesday.

Elani the issued warning 126 to:

-It is alleged that the dog was beaten by the owner.If evidence is gathered ,further action can be taken.

-Provide Poena with adequate food within 5 days.

To follow up Wednesday.
