General Report Comments: Hugh and I, Elani decided to go to Wellington School of skills to see whether we need to give more food and if a cat is in a trap as we have heard nothing from Jonathan. Upon arrival, I tried calling Jonathan but his phone went to voicemail. We went to the trap and saw a cat inside. The food has been finished, the food package was inside and faeces was surrounding the cage. We have no idea how long the cat has been in the trap. Therefore we decided to cease the project as he might be contravening the APA in not clearing the trap within 24 hours. I messaged him this. See attached sms.
