General Report Comments: Elani and I,Hugh arrived at the property and called from the outside.One tenant came outside named Tyron.We then explained to him the nature of the complaint and they welcomed us inside .

We then went inside and they showed us their dog named Coco which was a white bull terrier .We then saw that he was in okay condition and when asked what they fed they said they give him bobtail.We then went outside and inspected the rest of the yard .We then eplained to them that he is lean but he should most likely be fed more.They agreed and mentioned that they got they got him from the street in really bad condition.We then were pleased to see his condition.We then explained sterilization to them and also nexguard aswell as the mobile clinic.

We then gave them a mobile clinic pamphlet and left.
