General Report Comments: I, Hugh arrived at the property and was greeted by Martin Small who is the owner of Snowy. I then greeted him and asked if he had bought the dog food.

He then mentioned that he had got the food. I then asked him to show it to me and he did. I was then pleased and asked him whether he had got any tick and flea treatment. He then mentioned that there was a dip bath done the last time but he did not get a chance to dip his dogs as the bath was empty by the time he arrived.

I then mentioned that I would take some dip to him when I go past the farm. I also asked when was the last time he dewormed his animals and he mentioned he had not yet. I then asked him to follow me to the vehicle so I could give him dewormer. We then dewormed his dog.

To take dip tomorrow.
