General Report Comments: I,Hugh arrived at the property.I then called Alicia from the outside and she opened the gate.I then noticed that the area was quite secure.

When arrived in front of her door a saw Jack playing in the outside.Alicia then welcomed me inside.I greeted her and she was very polite.I then took a look around and I could see that the place had a good warmth to it.Alicia also seemed like a nice person who could offer a good home to firefly and lilo.I then asked her whether she had cats in the past and she mentioned that they had lost their cat a while ago.They were not planning on having a cat again soon but the house seemed empty without the presence of their cat.She also mentioned it's not a replacement and that she only misses her cat and thus wants to adopt again.

Homecheck approved.

To follow up in a year.
